ROARING 20'S EDITION

EVENT PROGRAM

FEBRUARY 22, 2020

WELCOME

Dear Friends of St. Ignatius,
St. Ignatius of Loyola once said “Go forth and set the world on fire”, and that’s what we intend to do this evening as we gather in support of our Catholic community! St. Ignatius implored us “to give and not to count the cost” and we hope to keep that spirit alive tonight as we donate on behalf of our wonderful school. We hope you will be enlightened by tonight’s St. Ignatius School fundraiser and that you will thoroughly enjoy all the blessings that we will share.

We want to thank our amazing dinner auction committee for their countless hours of planning, and of course, our generous auction donors. Their service reflects St. Ignatius’s teachings that “Love is shown more in deeds than in words.”

Thank you for attending our 2020 Fire Gala dinner auction and supporting St. Ignatius Catholic School.

PROCEDURES & REGULATIONS

AUCTION: Silent Auction bidding begins at 6:00 p.m. Only your bidding number will be accepted. We ask that you check your number carefully to avoid entering someone else's number. A starting bid and minimum increases have been pre-printed on the bid sheets. To enter a bid, write your bid number next to any amount on the sheet that has not been taken by another bidder. The winner will be the number next to the highest bid amount at the conclusion of the Silent Auction. Tables will close at 7:45 p.m. Cashiers will tabulate the results and you will be able to pay for and pick up your items this evening.

LIVE AUCTION: The Live Auction will begin at approximately 8:30 p.m. The auctioneer will verbally auction every Live Auction item listed in the program and on the addendum, if applicable. Bidders may bid by raising their bidding number. Upon the auctioneer's determination of the highest acceptable bid, the bid award will be recorded by bidder number and name. The auctioneer is the sole judge and the final authority for determining the highest acceptable bid.

PAYMENT: FULL PAYMENT MUST BE MADE ON SATURDAY, FEBRUARY 22, 2020. Payment can be made by cash, check, Visa, MasterCard or American Express.

RECEIVING: You will be able to claim your purchases upon presentation of your receipt to the volunteers. All items must be removed from the Riverside Hotel by the end of the evening.

GENERAL RULES: All sales are final. No exchanges or refunds except where stated. Donors and/or purchasers of auction items or services should consult their own tax advisors regarding questions of tax deductibility. St. Ignatius reserves the right to change, add or remove any auction item it deems inappropriate, even if it has been previously advertised or listed in the printed program or addendum, if applicable. Auction items for goods or services must be negotiated within 30 days of purchase unless otherwise specified.

IMPORTANT NOTICE: ALL ITEMS PURCHASED MUST BE USED WITHIN ONE (1) YEAR OF THE 2020 ST. IGNATIUS GALA UNLESS OTHERWISE SPECIFIED OR WILL BE CONSIDERED FORFEITED.

PADDLE RAISE SUPPORT

Before opening, St. Ignatius Catholic School was the recipient of a significant grant from the JA and Kathryn Albertsons Family Foundation. Funds from this grant were used to help support our personalized learning model during the first few years of opening the school. This money allowed us to start our school with small classes sizes and grow slowly, provided significant professional development funding, and allowed us to offer a tremendous amount of student support by structuring our classrooms with our wonderful instructional aides.

Currently, every student in our PK-5th grade enjoys the many benefits of having additional support from a classroom instructional aide either all or part of the day. Additionally, our middle school students interact with these professionals on the playground, during lunch, and through individual academic support services and invention. Our instructional aides facilitate small groups and student collaboration, help teachers support behavioral expectations in our classrooms, on our playground, and throughout our building, and provide significant one-on-one academic support for our students. These instructional aides have been instrumental in the success of our school culture and academic model. There is a good chance one of your student's favorite people in our building is an instructional aide!

This year, funds from our paddle up will go toward maintaining the current level of support from our instructional aides over the next 3 years. We want to continue having these wonderful professionals support all of our students for a significant portion of the day. Our instructional aides touch the lives of every student in our building, and maintaining their current level of support is critical to the continued success of our personalized learning model.
